# CCA HANDBOOK

Making the Construction Contracts Act work

## What is CCA Handbook?

A comprehensive overview of the Construction Contracts Act, as amended by the Construction Contracts Amendment Act 2015, covering:

- The Construction Contracts Act and how it works
  - The payments process
  - Adjudication from a party perspective
  - Enforcement and suspension of work
- What's changed and what's new in the 2015 Amendment Act
  - Phase 1 – 1 December 2015: Changes to payments and adjudication
  - Phase 2 – 1 September 2016: The Act extends to industry professionals
  - Phase 3 – 31 March 2017: New retention regime where retentions are held on trust
- A full copy of the amended Act and Regulations
- Model forms

## About the author

Peter Degerholm Reg QS, FNZIQS, FAMINZ(Arb/Med), MRICS, Member DRBF

Peter has over 40 years experience in the New Zealand construction industry first as a quantity surveyor and for the past 15 years in private practice in dispute resolution. His first involvement in security of payment legislation was in 1996 as member of a "security of payments task force", and he continued to be involved in the consultation leading up to the Amendment Act. He delivers seminars and workshops nationally on the dispute prevention and the practical application of the CCA alongside his busy Wanaka-based dispute resolution practice.
