How to claim

We recommend that you read this section before you submit your claim.

If you have any further questions you can contact us on **0800 800 441**, or **04 802 4200** (Monday – Friday, 8.00 am – 4.30 pm).

Online claiming – it's easy

You can submit a claim by emailing the claim to claims@healthcareplus.org.nz. Simply download and complete the claim form. Attach to an email along with your scanned or photographed receipts and submit your claim – it's that easy.

All sections of the claim form must be completed to avoid delays in processing your claim. Incomplete forms will not be processed, so please spend the time to ensure that all sections of the claim form have been completed in full.

Please make sure that all scanned or photographed receipts are legible and are itemised, showing the date of treatment, treatment provider, patient treated, description of health services received and fees charged.

A receipt for \$100 or more must be accompanied by an itemised account. HealthCarePlus will not accept EFTPOS, cash register receipts, credit card receipts or Income Support Services Reports. You are required to retain your original receipts until claim settlement in the event they are required to assess your claim.

The Subscriber is required to submit the claim on behalf of all Members on the policy. Claims are paid by direct credit into the Subscriber's nominated bank account.

Payments received by Subscribers are not subject to income tax and are inclusive of GST.

Please note the minimum amount that will be processed for any claim is \$10.

Posting your claim

Download a claim form from the website, fill it in, attach your original receipts to the claim form and then post it to HealthCarePlus. If you do not have website access,

please call **0800 800 441**, or **04 802 4200** and we will post a claim form out to you.

The same conditions for online claims (as specified opposite) apply to claims submitted by post.

How long do I have to claim?

All claims and supporting documents should be lodged as soon as possible and within a year after your treatment.

Claims (including re-submitted claims) lodged more than a year after may be declined if HealthCarePlus has been so prejudiced by your failure to comply that it would be inequitable to accept your claim. [s.9 Insurance Law Reform Act 1977].

Other considerations applying to particular claims

Claims from outside New Zealand

Costs incurred outside New Zealand are ineligible except for any Subscriber on approved overseas exchange or study leave who continues to have NZ\$ salary paid to them and continues to make contributions to HealthCarePlus. Costs within the country of exchange only are eligible. Claims must be supported by a letter from the Subscriber's pay office confirming the country of exchange and the start and finish date of approved overseas exchange or study leave.

Events claimable from any other source

Reimbursement must be claimed from other sources first. Copies of receipts/accounts must support claims. All claims must be accompanied by evidence of the amount received from the other society/provider. Note: When submitting a copy of the list of events claimed from another society/provider with a HealthCarePlus claim form, this will reduce form filling, as it is not necessary to complete these same details on your HealthCarePlus claim form.

Claims subject to the Accident Compensation Corporation (ACC), Work and Income, Ministry of Health, Ministry of Social Development, Ministry of Justice, other government refunds or assistance must be settled before applying to HealthCarePlus. In these cases a maximum of 50% of the balance less other medical insurance refunds will be paid.

No Subscriber may receive an aggregated refund of more than 100% of original costs.

The Subscriber must register a partner and/or children and pay the appropriate subscription in order to apply for benefits for them.

A parent or other adult who is not recognised as the Subscriber's partner, cannot be registered as a partner for the purpose of obtaining benefits as a family.

Registered dependant children are eligible for benefits up to the end of the year in which they become 21, i.e. to 31 December in any year. Note: students, although living with a parent, may be eligible for the Community Services Card and this should be used where appropriate before claiming HealthCarePlus benefits. Over 21 year olds may continue to enjoy HealthCarePlus benefits by commencing a new policy in their own name and by moving to a non-union premium rate. To discuss the options, call **0800 800 441**, or **04 802 4200** (Monday – Friday 8 am to 4.30 pm).

Special Membership categories

The Board may admit applicants who do not meet the above requirements as follows:

Trainee Teachers

Trainee teachers need to provide an annual declaration that they still qualify for and are a current member of a participating union. If not, their membership will terminate at the end of the period when they no longer met the eligibility requirements of their qualifying union. Trainee teachers qualify for union member rates.

*Family/Whanau

Family or Whanau is defined as a family member residing in the household of a HealthCarePlus Subscriber, or an ex-partner of a Subscriber, or a child of a Subscriber who is over 21 years of age. The HealthCarePlus Subscriber must be a financial member of, or be employed by a participating union. Such a person, who is linked as Family/Whanau, can be a HealthCarePlus Member by paying for the policy under their own name at a non-union rate.

Payment of Premiums

The level of premiums (or contributions) is set by the Board of HealthCarePlus from time to time and is reviewable without reference to Subscribers.

Subscribers will be notified in writing within 10 Business Days of changes made to the level of premiums (or contributions).

If you are in the education sector and paid via Novopay, payment can be made by fortnightly salary deductions.

Note; Salary deduction is not available for PSA members', or anyone not in the education sector, ie; Family/Whanau, Trainee Teachers.

Premiums received by HealthCarePlus may not be refunded.

Managing your Membership

Continuing your Membership when circumstances change

Life can be unpredictable so it's good to know that HealthCarePlus has options that enable you and your family to maintain your Membership when your circumstances change.

These life events can include:

- Starting a family
- A change in career
- Travelling overseas for an extended period
- Marriage break-ups and new relationships
- Children reaching 21
- Retirement

HealthCarePlus Members and their families can continue their coverage, when their circumstances change, and they are no longer Members of a qualifying union. They will simply move to the non-union Member premium rate.

In order to continue to enjoy lower premiums some Members may elect to remain in their union, through associate union Membership. Please contact HealthCarePlus on **0800 800 441**, or **04 802 4200** (Monday – Friday, 8 am – 4.30 pm).

Honorary/Associate or Retired Member

Subscribers can continue paying contributions to HealthCarePlus provided they either:

- become an Honorary or Associate Member of a participating union or,
- they may choose to continue as a non-union Subscriber and pay the non-union Member premium rate.

Relieving Teacher/Support Staff

Irregular salary payments make it impossible for some Subscribers to maintain their eligibility for HealthCarePlus benefits. Long-term relievers are also disadvantaged when salary ceases at vacation time. To ensure continuous eligibility for benefits subscriptions can be paid in advance or by regular monthly direct debits.

Leave Without Pay

Where leave without pay has been approved for a specific period up to 12 months, a Subscriber may pay HealthCarePlus premiums for the full period in advance before leave commences or may choose to pay monthly by bank direct debit if leave is more than 6 months.

Subscribers who do not pay in advance to cover periods of approved leave without pay must re-serve the requisite Waiting Periods when payments to HealthCarePlus resume (except for those Members who have suspended Membership whilst overseas).

Overseas Suspension of Membership

HealthCarePlus Membership can be suspended for a maximum period of 12 months if a Subscriber is travelling overseas for 3 months or more. Written/Email confirmation is required.

Waiting Periods for benefits must be re-served after any break in the payment of premiums (except for those Members have suspended Membership whilst overseas).

Changing your policy

Members may choose to increase their range of Benefits by moving from one policy to another, provided that:

- All Members are covered in the same policy and
- The appropriate premium is paid

Members who elect to change their policy will serve the Waiting Period applicable for all benefits that are not included in their current policy. These additional Waiting Periods apply over and above the standard Waiting Periods for their current policy and from the date of the first subscription payment on the new policy rate.

For details on the Waiting Periods refer to the Table of Coverage for the respective policy. All policy wordings may be viewed and downloaded from the website www.healthcareplus.org.nz.

Cancelling your Membership

If you are joining HealthCarePlus for the first time and are not satisfied with the policy during the first 14 days after the date you have received this policy document and your Membership Certificate, you can cancel the

policy and we will provide a full refund of all premiums paid. You can only do this if no claim has been made under the policy during this period by you or in respect to any other Members insured by your policy. If you wish to cancel the policy within the 14 day period please contact us.

You can cancel your policy at any other time but if you do so you will not be entitled to a refund of any premium already paid to us and you will remain liable for premium due up to the date the cancellation takes

effect. Cover will be provided until the date the policy is paid to.

Cancellation of a HealthCarePlus Membership must be advised in writing/email to HealthCarePlus. Benefits will be paid up to the date of the last HealthCarePlus contribution.
