

School Newsletter Week 10 Term 3

Thursday September 24th 2020

We have decided to postpone the **Run for Us**. We have tried really hard to find a way to hold the event but days of raining and strong winds this week have not helped. We will hold it in week 4 of next term and hope for finer weather and dry ground. It is really disappointing but it is 2020 after all and nothing has gone according to plan!

Instead – we are going to have a **Fun Friday**! We have of course bought all the food, so will have food stalls and all teachers are arranging a day of games and fun activities to finish the term well.

Breakfast is served at 8.30am! Then we have a range of delicious food for the remainder of the day. Please do not make lunch for your child tomorrow. Instead send your child to school with some money to buy a bacon and egg sandwich, a hot dog, cheese rolls and some treats from the canteen. Vegetarian options are available too.

It is a shame that so many of our **Inter-Intermediate sporting** events have been cancelled this term. We are looking forward to a few events in Term 4.

Our production, Mary Poppins Junior has been moved to term 4.

The new dates are:

Year 6 Matinee - Monday October 19th

Evening performances – Tuesday 20th and Wednesday 21st October

Tickets are available for purchase from our school office. The cost of tickets - \$10 adult / college student and \$5 primary and intermediate students. Please note that our own students will not have an opportunity to see the production. We hope they will come along and support their friends at an evening performance.

Thank you for supporting our annual **Science Roadshow**. It was the best standard of exhibits we have seen in recent years and the engagement from our students was very high. We would like to host again next year but it will depend on the cost. While he was visiting the event I did manage to ask Greg O'Connor to look into adequate funding of such wonderful resources!

Happy holidays everyone – looking forward to a settled term 4 we hope.
