I just wanted to thank you and all your coaches for such amazing dedication and hard work with all the cheer teams. There is such a huge sense of pride and belonging at Bigair. The results today were amazing and a tribute to the commitment you all have to the children. They all know you believe in their capabilities, and their ability to be successful and have their cheer dreams come true! It is so joyous to watch the togetherness, care, connection, praise, genuine concern, love, and support between the girls. Not to mention the sheer fun, excitement, and delight I see on their faces! I love what cheer does for their self esteem, confidence and personal growth. You are all helping to grow amazing children and I am so grateful that this opportunity is afforded to my daughter.

Free routine dental care is provided from the first year of college (Year 9) and ends on their 18th birthday (some exclusions apply which include hygienist and orthodontic treatment).

Helping Families

Providing an easy platform to help connect those with unwanted uniform to others in our community because sometimes its just hard to find connect with other interested parties over the holiday period.

Creating an outlet for those who find the cost of uniform just a little too much at the start of the new year.

Helping our community

Creating opportunity for to connect with others in our community for a good cause.

Raising awareness and funds for the local foodbank.

Helping out those around us who find this time of year financially stressful.

Reducing the amount of clothing waste that might end up in landfill.
