

Newlands Intermediate School (2924)

ENROLMENT SCHEME

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Home Zone

All students who live at an address within the home zone described below (and shown on the attached map) shall be entitled to enrol at Newlands Intermediate.

The suburbs of Grenada Village, Hunters Hill, Paparangi, Newlands, Woodridge and Bellevue:

- Bounded to the west and south by SH1 motorway.
- Bounded to the north of Grenada Village, on a line extending from SH1 motorway to SH2 motorway.
- Bounded to the east by SH2 motorway.

The suburbs of Churton Park, Johnsonville, and Ohariu Valley:

- Bounded to the east by SH1 motorway.
- Bounded to the north by the corridor under the high voltage transmission wires. This includes all house numbers up to and including 400 on the eastern side and 409 on the western side of Middleton Road.
- Bounded to the west by the summit of the Ohariu Valley ridge.
- Bounded to the south by a line extending from SH1 motorway, along Disraeli Street, Broderick Road, Old Coach Road, and Rifle Range Road to the junction with Ohariu Road.
- Bounded by the new streets at the end of Mark Avenue by the roundabout which are Havana Rise, Montego Place and Sandino Place.

HOME ZONE

Proof of residence of a property within the home zone will be required (for example a copy of a utility bill with the name of a parent or guardian and an address within the home zone, covering the date of enrolment or earlier). Where a property has two or more entrances on different streets, or where the actual address of a property is in dispute, only the rateable address as recognised by the local City Council will be considered to determine if the property is in or out of zone.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school and on the school website. The notice will indicate how applications are to be made and specify a date by which all applications must be received. The notice may indicate how many places are available.

Applications for enrolment will be processed in the following order of priority:

First Priority	This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.
Second Priority	Will be given to applicants who are siblings of current students.
Third Priority	Will be given to applicants who are siblings of former students.
Fourth priority	Will be given to applicants who are children of former students.
Fifth priority	Will be given to applicants who are either a child of an employee of the board of the school or a child of a member of the board of the school.
Sixth priority	Will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989.

Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
