MOBILE RECYCLING FOR WELLINGTON CHILDREN'S HOSPITAL - MEDICAL EQUIPMENT

Daniel here from Recycling for Charity, recently we teamed up with Wellington Children's Hospital. We are running a mobile recycling appeal to help them with funding for new medical equipment for the new children's hospital. I was wondering if you would be keen to help us by publishing this poster in your school newsletter or sharing on your facebook page. The more mobile phones we receive for recycling the more money that can be donated to this wonderful charity.

School collections - Teachers, Students and Parents could drop off their old mobile phones at school reception to be collected in a small box, once the box is half full an email or phone call to Recycling for Charity, and we will come and collect them. Easy as!

We also recycle a lot of IT equipment as well, if you do have anything lying around that you need to recycle please let me know and we can come and pick it up for FREE. We don't recycle Printers/Scanners, Tube CRT TVs.

"I loved the way she was so relaxed and open about her own journey as an author and how her successes and failures impact on her. She really emphasised the value of trying and failing."
