

## School Newsletter

Week 1 Term 2

May 2<sup>nd</sup> 2019

### Run for Us

Thank you for your support with this major fundraising event. We have raised nearly \$24,000.

### Board of Trustees Elections

In June three positions will become available on our board of trustees. One of these positions is a current member who will be applying for re-election. Our board is a committed, easy-going group that meet twice a term.

The process is electronic and we will share more details over the next few weeks. In the meantime if you are interested in putting your name forward to the board feel free to contact me at school or Susie Ellis BOT Chair – 027 418 2333.

### Netball

Netball starts this weekend with grading games for a couple of weeks. Thank you to those who have volunteered to help with managing, coaching and umpiring.

### Paid Union Meetings

The paid union meetings are planned for next week and we are hosting 2 of the Wellington regional meetings here. We will be able to keep the school open during this time as our staff will attend the meetings on site.

### This Term's Learning

This term is a science focused term. We are looking at forces and starting with steam. As the term progresses we are looking at Steampunk – inventions and discoveries from the Victorian era. This lends itself well to art, writing, mechanics, 3D printing and of course a costume or two.

Angela Lowe

Principal
