

Tuesday 12 February

Dear Parent/Caregiver,

Your child is using Mathletics as part of their mathematics programme at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to New Zealand's curriculum.

Your child has take-home access to Mathletics - they simply sign in with their school username and password using any compatible computer or mobile device. The extra Mathletics practice at home can make all the difference to your child's progress. We see evidence of this every year. Mathletics gives students access to Year 1 - Year 13 concepts and learning. There is something in there for everyone!

**This year Newlands has negotiated 12 months access for \$18.00.
That's only \$4.50 per term for 24/7 access until February next year.**

Encourage your child to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

Please make arrangements to pay **\$18 online** or at the office with your **child's name and room number** printed clearly on an envelope.

Online Payment details

Bank: ASB

Branch: Johnsonville

ACC No:12 3223 0110200 00

Reference: Child's name & Mathletics

Your sincerely

Simon McAtamney
