AS Patrons: Ian Riseley, RIP 2017-18

 Rotary 100 downunder

Celebrating 100 years – go to rotaryoceania.zone

2021 – Start Small / Dream Big

-Dark Days with Silver Linings - (Rotary lessons from the Depression/ War Years)

- Never has Rotary been needed more
 More clubs / more members / more projects
- Must not lose the ideal of serving others, nor the four-way test
- Clubs changed – pack lunches etc
- Engaged youth/ work / scholarships / health camps
- Established Plunket / Karitane Nursing / Crippled Children (1935) / Milk in Schools / JR McKenzie Trust
- 1943 – 1946: 25 new clubs formed

Don't let the post Covid-19 opportunity slip

Rotary Centennial /COVID Crisis: an opportunity – What will RCoP do?

Local / Cluster/ District

Set goals, e.g.

- A Centurions Club
- Grow the club
- Peace Builder Club
- Carbon Zero Certification
- Club and District Funds – multiyear commitments to projects, (Rotary Give every Child a Future)

Environment

- Taupo Swamp
- Forest at the Heart of Wellington
- 9940: Wellington Regional Children's Hospital Trust

National (NZ) / Multi-District

Mana Tangata – People of Action

- Book
- Exhibitions
- Tiki Wiki WebSite
- Monthly Themed Public Meetings
- Radio / TV etc

Rotary Peace, Remembrance and Community Forests Trust

Forum(s) on the Future of Rotary in NZ

Celebrations Fri 18 June – Auckland War Memorial

Zone / Int / Foundation

- End Polio Now
- Rotary Give Every Child A Future (Eliminating Cervical Cancer in the Pacific)
- Baton Relay - Theme Children?

New ideas

- Social impact Forum
- \$1M Social Enterprise fund
- East Timor Library
- Transmission Gulley
- Featherston

MANA TANGATA – ROTARY PEOPLE OF ACTION

History of Rotary in NZ and the Pacific.

Patrons: Bill Boyd/ Anand Satyanand

- Historian Dr Stephen Clarke
- On track for 2021
- Final Chapter being drafted – Looking to the Future.
- Author funded by RCA and RCW
- Oral history Bill Boyd
- Annual internships to help historian
- Tiki Wiki site for all clubs (ROZOps)
- There will be:
 - U tube clips
 - Travelling exhibitions in 2021
 - Themed Public Meetings

Rotary
Oceania Wiki

Foundation Meeting of the Rotary Club of Wellington,
7 June 1921, YMCA dining room

Update

- Books available March 2021
- Pre order / budget box 12 for \$420 will help

Orders – historybook.rotaryoceania.zone

Centennial International Project

'To help eliminate cervical cancer and save the lives of generations of Pacific children.'

Rotary Give Every Child A Future (RGECAF)

- Rotary partnership with UNICEF. Project to immunize 100K children with three vaccines in 9 Pacific countries over next 3 years
- Aligns to Rotary's key goals: disease prevention, and treatment and maternal and child health
- The Asian Development Bank (ADB) financing the introduction in four countries: Samoa, Tonga, Tuvalu, and Vanuatu. Rotary will fund regional and other supporting activities in these four countries
- Rotary will fully fund the program in the other five countries: Cook Islands, Kiribati, Nauru, Niue, Tokelau
- RI matching funds and DDFs. Please commit as a Club for three years. Need \$100K by end June.

The screenshot shows the project page for 'Rotary: Give Every Child A Future - A Rotary Centenary Project'. It features the logos of Rotary and UNICEF, a photo of a healthcare worker administering a vaccine to a child, and several informational sections: Overview, The project, Context, Impact, Vaccines, and Funds will support. A blue banner at the bottom provides the donation link: everychildafuture.com.

Overview
2021 marks the centenary of Rotary in Australasia and provides a unique opportunity to celebrate Rotary's achievements over the last 100 years. To do this, Rotarians in Australia, New Zealand and the Pacific Islands, in collaboration with UNICEF, plan to vaccinate 100,000 of the most disadvantaged children and adolescent girls across the Pacific to prevent:

- In women, cervical cancer
- In children, severe diarrhoea caused by rotavirus and meningitis, blood infections and pneumonias caused by pneumococcal disease

The project
Rotary will work with UNICEF to introduce three life-saving vaccines across nine Pacific Island countries; the Cook Islands, Kiribati, Nauru, Niue, Samoa, Tokelau, Tonga, Tuvalu and Vanuatu. The Asian Development Bank is financing the introduction of these vaccines into four of the countries (Vanuatu, Tonga, Samoa and Tuvalu) while Rotary will fund regional and other supporting activities in those four countries and fully fund the programme in the other five countries.

Context
While there have been improvements in immunisation services many children still miss out on the vaccines. Every year, up to 1,500 women die from cervical cancer in the Papua New Guinea and 1 in 18 children die before their fifth birthday in Kiribati. These

lives can be saved by vaccines.

Impact
Rotary and UNICEF are aiming to deliver 100,000 vaccines over four years but this is just the beginning. This project will help strengthen the Pacific's broader health systems and ensure the sustainable delivery of these vaccines into the future. Generations will continue to benefit from this project. A truly inspiring Rotary legacy.

Vaccines

- Human Papillomavirus (HPV) against cervical cancers
- Pneumococcal vaccine against pneumonias, meningitis and blood infections
- Rotavirus vaccine against severe diarrhoea

Funds will support

- Vaccines Procurement
- Supplies Including cold chain equipment, storage and logistics
- Education healthcare workers, communities and partners
- Technical support Policy, management and systems strengthening
