INNER WHEEL OF PLIMMERTON - HIGHLIGHTS OF 2013/14

Hi everyone

We enjoyed another great night last month, it was lovely to hear so much laughter and chat going on. However Richard Boyd's talk on the work of Foster Hope silenced you all and I know touched many of you.

It was wonderful that we were able to support this organisation with a cheque of \$1466 that we

raised at the Fashion Show at Ballentynes.

Thanks also to those that went out the next day and brought pyjamas for the pyjama drive that Foster Hope are currently running.

If you want to give ongoing support to this organisation please visit their website www.fosterhope.co.nz/

Well, my time as President is nearing its end.

I personally think it has been a great year, I have enjoyed the friendships that have developed over this time. Working closely with my amazing committee has

strengthened our relationship with each other and I truly couldn't have done it without any of them. We all worked together so well and the different strengths of each person shone through and

made the year very enjoyable.

High lights of the year have to be the Wild Food Sunday

and the Fashion Show,

not just because they raised the most amount of money but because we all worked together. While there were people that took the lead in organising these events, everyone pulled together to make them happen. The other thing that was great was that many outsiders of Inner Wheel attended so we upped our profile in the community.

While I realise that Inner wheel is a friendship group first and foremost

I am pleased to say we donated \$6170.30 to

worthy organisations this year. We also donated many hours in manning collection points, serving at fund-raising days and sewing for the Cancer Society and Oncology Department. As well as helping our community we are helping ourselves to become better people and in doing so making us better friends with the people we live and work alongside.

I hope you and your spouse are able to join us at **Changeover Night** on **17 June**, when Pauline Lowe will take the Chain of President. The "Theme" is Pearls, Buttons and Bows. This should be easy for everyone, even the men. So dig out those bow ties, rummage in your jewellery box, button up that dress and come along for a fun night, you know the food is always good and the friendship is a given.

Debbie
