INNER WHEEL OF PLIMMERTON

February 2015

MERRY CHRISTMAS EVERYONE

Pauline's Ponderings

Dear Ladies

Here we go - zooming along through the year already and so many super things to look forward to on the Inner Wheel Calendar! While I missed the Pizza and Plonk evening everyone who attended said what a great time they had - thanks so much to Janet and Phil Reidy at Ration Creek for their continuing fantastic support to host the evening and also my personal thanks to Carolyn Wallace who stepped in for me on the night.

As you will all know there is the amazing Wild Food day coming up on February 22nd again at Ration Creek and this is

our Inner Wheel Charitable Trust fundraiser to support the Neo Natal Unit. There will be representatives from the Unit at the day and they will also provide some raffles to help us unburden ourselves of our small change in the hope of taking away something we can absolutely not do without!! Get ready to enjoy yourselves and prepare the taste buds for some amazing food. We are so grateful not only to the Reidy's for the venue but also to Adrienne and Ian Murray, and Christine Blick, and I am sure there are others who put in so much effort to ensure the success of the day.

We are making great progress in our arrangements for the 25th

Silver Anniversary Celebration on March 21st. The Anniversary committee of myself, Carolyn Wallace, Dianne Roberts, Carol Woodfield, Judith Tanner and Velma Knight have all been working hard to ensure that everyone will have a very good time. We have had some feedback re the Invitation Dress Code and really want to assure you all that this is included to give you all an indication of where the evening will be pitched but if there is someone in your family who finds a 'tie' a deal breaker please assure them that we would want to see them in attendance irrespective of ties!!

If you have any photographs or memorabilia from our

club on your shelves or cupboards now is the time to get it out, dust it off and share it with us all. Please let me know if you would like anything collected or just bring what you have along to our club night on Tuesday. Our anniversary will be a great time for reminiscing and recollecting - as well as being truly surprised at what our hair used to look like!!!!

Carol Woodfield is on the lookout for any silver goblets that you would be happy for us to borrow as part of our table decoration for the evening. Please make contact with her.

Thursday the 12th is our bowling night with Tawa, we will share the news of the outcome of the Rose of Friendship trophy at our meeting on Tuesday. In the mean time I look forward to seeing you on Tuesday for our speaker, Brenda Stickleley who will speak to us about the Feldenkrais method. Brenda is apparently an excellent speaker so we are very excited to have her come and talk to us.

*Yours in friendship
Pauline*

will be greatly appreciated to assist with this fundraising project.

This is "Food for Thought" for the February Meeting.

Pizza and Plonk

Unfortunately we did not take any photo's of this very enjoyable event – a sharp reminder that we all need to have those camera's clicking. If you happen to have one please send it to Pauline or to me so we can add it to our Carousel of photo's.

Please send me write-ups of small and big events so we can make this newsletter as interesting as possible.

NOTE: The groups – bookclub, craft, majong etc are all starting again. Details will come to you via emails.

THIS MONTHS MEETING

Tuesday 17 February

Aotea School Library, 6pm

Brenda Stickleley will be speaking to us about the Feldenkrais methods

An evening that will interest all of us as start to get a little older and need to manage our bodies (say no more!).

Don't forget to let us know if you are NOT coming as we have to pay for all the meals ordered. A no show without advice will cost you \$20 unfortunately.

Yours in friendship
Adrienne
