DIANNE ROBERTS BEAUTIFUL QUILT OF PICTURES AND BOWS

## Pauline's Ponderings

Dear Ladies -

What a great last meeting we had! I am still thinking about some of those amazing stories, craft articles and treasures that we were all able to share. My thanks to all of you who participated in so many ways! The ideas that came from our focus group session at our last meeting on the way in which we can bring the 'Light the Path' theme into the activities and work that we do as a club was really fantastic. You all contributed some great ideas and we are going to be able to put some of those directly into practice as well as include others as the months go by. Well done to all of you for your input.

With Christmas just around the corner - and who needs reminding of that!! - we intend on having our meeting at our

regular venue of the Aotea College library and our theme will be 'Christmas at Home'. We will have a fun evening with some games, delicious food, and very probably a visit from someone who will need to know if you have been very good this year!! In anticipation of this evening please avail yourself of a gift to give in the area of around \$5 - 10. The gifts will be distributed within our own group. Please also bring a food item which can be donated to the food bank.

In the meantime our next meeting will be a very interesting one with Helen Henderson from Kara Hands. I look forward to seeing you there.

Yours in friendship  
Pauline

### LADIES GOLF TRIP

#### Winners:

Sue Couch - Best Nett  
Bev Lillico - Longest drive  
Brenda Callear - Closest to the Pin

Great fun was had by all who attended. The group stayed at Cophorne Solway Park in Masterton and after some shopping and golf they had a "show and tell" of the shopping purchases. Plenty of laughs at the pre-dinner get together and after the usual delicious meal a group played Phase 10 - thank goodness no noise control officers around!!

The show and tell was smallish in purchases, but plenty of laughs at pre-dinner get together. After dinner there was a collection of several in a room playing Phase 10 - who fortunately didn't have the noise control officers come by. Weather for the golf was great with a bit of breeze! But Friday turned to custard, with increasing

winds and rain by the time all back over to this side of 'the hill'.
