## JUST JANET

Dear Members,

Thank you all very much for the support you have given me and the patience shown as I get to grips with That Microphone To those who dropped "suggestions " into the box , thank you . We had some interesting ones last month and we appreciate the feed back, please continue.

For those going on holiday we wish you safe travels, and, probably the Inner Wheel Meeting is the last thing on your mind but it would be very helpful if you could let your Contact Person know if you will not be at the Meeting.

At our Committee Meeting on Monday we discussed who the recipient of the Pop Up Shop earnings would be. Many years ago I was involved in a fund raising event and whilst the recipient was very grateful, said how hard it was, as many people thought that if they'd supported them once, then that was it. In fact continued support is needed for almost all those we support.

The Virtuoso Strings Orchestra is a wonderful opportunity for many youngsters from our community. We have been privileged to be a part of this( for a little while now) which is run with so much passion and drive from Liz and her family. I would so much prefer that our fund raising goes to "Top of the Cliff" endeavours rather than "Bottom of The Cliff." Virtuoso is very much at the Top of the Cliff. They may not be the only Charity we will support from the Pop up Shop but will be the main one.

The National Body of Inner Wheel have asked us again to support Look Good Feel Better and The Ruel Foundation. We will do this by giving the Ruel Foundation proceeds from one of our raffles (\$100.00) and The Tawa Inner Wheel is going to have The Women's Expo for LGFB and we will support them with their ticket sales as well as proceeds from another of our raffles (\$100.00).

That's enough from me I'm on Lamb beat. Ewes start lambing exactly 147 days after the ram goes out- thought you'd like to know that.

Yours truly

Janet

### Empower and Evolve A new logo for 2018-19

In-coming President Chris Kirby gave this explanation of her logo:

"Women are important  
Inner Wheel is important

"Therefore, using the universal symbol for women, the Venus symbol, she has incorporated the universal symbol for Inner Wheel and completed it with 2018-19 theme Empower and Evolve, because now is the time for women to grow, individually and collectively, in order to participate as equals in the ever-changing world we live in".
