Hello Friends,

We have had a busy month. The Try something different outing to the Porirua Nursery went well and many came away with "bargains". Andrew, the head gardener enlightened us on many topics not specifically related to gardens. Then many of us and friends went to the Preview Show of WOW in support of Neonatal Charity. So aptly named WOW—amazing costumes and the acrobatics were sensational.

This month we are invited to A celebration of Women in 2018. It should be a good evening with Jan Logie, (Green MP) Judith Collins (National MP) and the delightful Roseta Lopa (a student from Porirua College and a member of Le Art). The students of Porirua will entertain and included in this group are the Le Arts singers. I realise that this event is the day after our meeting but a good turn out would be great.

You should have all received the District Newsletter and it would seem we are not the only club that is having succession issues. We still do not have a President for next year. We can go to District for help with this issue or can we sort it ourselves. Think about it—my biggest problem each month is what am I going to wear. Which brings me to the Pop Up Shop. Still more clothes needed—drop them at Julia's, bring them to the next meeting or drop them off to me when you pick up your ticket for the Celebration of Women tickets.

Most of the discussion at last nights committee meeting was about the Pop Up Shop. Carol Woodfield will sort out the Rooster, a board will go round next meeting and if your are not there you can volunteer directly with Carol.
