

# September Child-care

MATARIKI

## Curriculum

During September we will be doing lots of exciting activities with our tamariki. The first one was a celebration of Fathers in preparation for Fathers day on the 6th of September. The children enjoyed activities such as making cards, painting and singing songs about dads.

This month we are focusing on workers in our community, such as fire fighters & police officers. Our tamariki have enjoyed dressing up and acting out these roles that play such an important part in our community.

On Friday 4th September the Goodtime Music Academy performed a show for our tamariki, teaching them all about different musical instruments and different styles of music. This was led by professional musicians and as you can see from the photos below the children had a blast, they had the opportunity to have a hands on experience with an instrument of their choice.

## Sick Children

There are a number of bugs going around at the moment. Please remember that all children who are sick or unwell must be kept home from childcare. When a sick child comes to childcare they risk spreading their germs to other children and staff.

If your child comes in and they are unwell you may be called to come and collect them as we need to prevent others getting sick also.

## Matua Power

The children performed in front of our Matua Power (Elderly Social Club) last week. Our tamariki were so proud to be a part of the programme. They loved the opportunity to perform in front of an audience. Great effort Team!
