

# TAWA LIONS CHRISTMAS PARADE

The 2017 Christmas Parade is to be held on **Saturday 2 December 2017** commencing at 2:00pm.

**Our primary aim is to provide Christmas excitement and entertainment for children of all ages by bringing Santa and other friends and heroes to Tawa.**

**We ask that all floats and participating groups are decorated or dressed in a Christmas, nativity, fantasy or adventure theme relevant to the aims of the parade (not just reindeer ears or a Christmas hat).**

**We are planning to present certificates to groups who take part in the parade. Spot prizes or best dressed floats awards for different categories may also be awarded.**

In Disguise Costume Hire our local costume store have a long association with the Tawa Lions parade and offer a range of costumes suitable for the parade. Contact them directly for parade special offers [www.indisguise.co.nz](http://www.indisguise.co.nz). Propeller Studios have floats for hire: <http://propellerstudios.co.nz/collections/general-equipment/products/trailers-flat>.

If you are aware of any other organisation(s) that may be interested in participating in the Parade this year, could you please ask them to send their contact details to me so that I can add them to our contact list? We would like to have more participants, which will hopefully attract more spectators.

Please respond by contacting us via the contacts below. Your response should include your name, contact phone number, the name of the organisation you represent and the theme you will use for your float / group. If you want some ideas for a theme or costume hire, let us know.

We will send out more detailed instructions once you have declared your intention to take part.

Regards and thanks,

Bryan Souster  
On behalf of the Tawa Lions Community Christmas Parade Organising Committee.
